Letter of Consent

Sub: Extension of approval of affiliation to Jharkhand Vidhi Mahavidyalaya, Koderma, Jharkhand for running three year LL.B course with intake of three sections of 60 students in each section and five year BA LL.B course with intake of one section of 60 students for a period of three years i.e for the academic years 2017-18, 2018-19 and 2019-20 and fresh approval of affiliation be granted for running five year B.Com. LLB course with intake of two sections of 60 students in each section for a period of two years i.e for the academic years 2017-18 and 2018-19.

Sir,

The Standing Committee (Sub-Committee) of the Legal Education Committee of the Bar Council of India at its meeting held on 17th, 18th and 19th June, 2017 considered the inspection report of **Jharkhand Vidhi Mahavidyalaya, Koderma, Jharkhand**. After consideration, the Committee is of the view that Jharkhand Vidhi Mahavidyalaya, Koderma, Jharkhand be granted extension of approval of affiliation for running **three year LL.B course** with intake of **three sections of 60 students** in each section and **five year BA LL.B course** with intake of **one section of 60 students** for a period of **three years** i.e for the academic years **2017-18, 2018-19 and 2019-20** and fresh approval of affiliation be granted for running **five year B.Com. LLB course** with intake of **two sections of 60 students** in each section for a period of **two years** i.e for the academic years **2017-18 and 2018-19** subject to following conditions.

The Committee further finds that so far three sections for three year LL.B course and two sections for five year BA.LLB course were sanctioned to the college. Looking to this approval would mean 9 class rooms are required for three year LL.B course and 10 class rooms are required for five year BA.LLB course that would make 19 class rooms, as per the inspection report only 12 class rooms are there.

However, the Committee finds that the students admitted for five year BA.LLB course is only for one section taking that into consideration even for five year course at least five class rooms are must, so the total class rooms required would be 14. Hence it is short by 2 rooms.

This calculation is based on that in future college should only have one section for five year course.

Now the college also applied for fresh five year BCom. LL.B. As per the recommendation of two sections that mean two additional rooms are also required atleast for starting the course so 2+2(already shortage)=4, at present college need 4 class rooms though six are under construction. **Before starting the next session they much complete at least four class rooms for starting the new course of five year B. Com. LL.B course. The college has also construct additional classrooms for subsequent years.**

The University/College is directed to also fulfill the following conditions, failure of which may lead to subsequent necessary and proper action being taken in this regard.
